We would like to thank each of you for your coming and wish the meet to be successful, fair and free of any accidents,

SU citynet Hall

Explanation 200m Freistil

The 8 best swimmers according to the DSV-Masters-Table of the 200 m Freestyle Female/Male competitions qualify for the 200m Freestyle pursuit / Gunderson final.

With regard to the final, the right tactics are also important.

This means that the preliminary heats might be swum tactically with reserve of power. But there might be the risk of missing the final.

The right mix of all out and tactics must be found.

According to the time intervals from the preliminary heats, the final heat is started 15 seconds after the start signal in the Gunderson method, i.e. the slowest time of the preliminary heats starts first and the fastest time last.

For example:

Results of the prelims

Swimmer 1 4:00,00

Swimmer 2 3:55,00

Swimmer 3 3:50,00

Swimmer 4 3:30,00

Swimmer 5 3:00,00

Swimmer 6 2:40,00

Swimmer 7 2:30,00

Swimmer 8 2:20,00

Start timing plus 15 seconds

Start Swimmer 1 plus 5 seconds

Start Swimmer 2 plus 5 seconds

Start Swimmer 3 plus 10 seconds

Start Swimmer 4 plus 30 seconds

Start Swimmer 5 plus 20 seconds

Start Swimmer 6 plus 10 seconds

Start Swimmer 7 plus 10 seconds

If a swimmer withdraws for the in the final, the next ranked swimmer moves up to the final.

Whoever comes in first is the winner of the 200m Freestyle Pursuit Final.
